

Specific Repository

The application '**Specific Repository**' is the core of the Social Security Information System (SSIS). It reflects the Social Security Institution Code, and is structured around modules that bring together the functions specifically tailored to meet each group of codifications and parameters.

● **THE COMMON SET OF PARAMETERS:** To handle the global set of baselines, manage the centers of payments, the tax centers, the documents and certificates, etc.

● **REFERENTIALS , CODIFICATIONS associated to EMPLOYERS REGISTRATION:**

These are the entries codes of: 'Contribution & Recovery', contribution's rate per branch, types of benefits and periods, regimes, employers' position and object, registration origin, etc.

● **REFERENTIALS , CODIFICATIONS associated to INSURANTS , BENEFICIARIES REGISTRATION:**

Insurants categories and positions, rights position, survivors' position, insurants positions' objects, rights positions' objects, etc.

● **REFERENTIALS , PARAMETERS PER SPECIFIC BRANCH:**

These are the values and the conditions on which the Social Security Law is based. They are made available for updates whenever the Law changes:

➤ **Occupational Risks (OA-OD) Repository and parameters:**

Cause and impact of accident, victim condition, occupational disease, type of injuries, etc.

➤ **Pensions Repository and parameters:**

These are the baselines to establish the eligibility to pensions: Number of insurance months, sharing rate for survivors' benefits, age for retirement per workers' category, etc.

➤ **Family Benefits Repository and parameters:**

These baselines are used to establish the rights to Family Benefits: Child allowances, pregnancy-maternity allowances, etc.

Contribution rate per sector/type/period

Employer regime * G2 ... General regime > 19 employees

Branch	From	To	Insurant rate (%)	Employer rate (%)	Global rate (%)	Branch ceiling	Delete
10 ... Family benefits	25/02/1986		0.0	10.3	10.03	600 000	X
20 ... Occupational Risks	25/02/1986		0.0	2.25	2.25	600 000	X
30 ... Pensions	25/02/1986		4.0	8.0	12.0	1 200 000	X

Revaluation rate (Pension files)

Decree * 22/05/1978 ... Decree N° 54/PR/MTSS
